RECOGNITION CLAUSE

THIS AGREEMENT is made and entered into this 16th day of December, 2013 between the Board of Education of the Township of Fairfield, Essex County, New Jersey, hereinafter referred to as THE BOARD, and the Fairfield Education Association, hereinafter referred to as THE ASSOCIATION.

WHEREAS, the parties have reached certain understandings which they wish to embody in a written Agreement; and

WHEREAS, these certain understandings have been reached between the Board and the Association, the said Association being the exclusive and sole representative for collective negotiation concerning grievances and terms and conditions of employment for the unit of all instructional and educational support personnel, including non-confidential secretaries, custodians, and instructional aides, whether under contract or on leave, full or part-time, employed by the Board, excluding administrative, cafeteria and playground aides, cafeteria personnel, and substitute teachers.

NOW, THEREFORE, BE IT RESOLVED, that in consideration of the following mutual covenants, it is mutually agreed between the Board and the Association as follows:

ARTICLE I

DURATION OF AGREEMENT

The Agreement shall take effect on July 1, 2013, and shall continue to June 30, 2016.

ARTICLE II

MEDICAL INSURANCE COVERAGE

The Board hereby agrees to pay 100% of the group rate cost, subject to the mandatory statutory contribution of said premium for providing Point of Service ("POS") or Preferred Provider Plan ("PPO"), single plan for all employees unless employee elects to decline coverage. In addition, the Board will pay 100% of the group rate, subject to the mandatory statutory contribution of said premium for spouse and family coverage as specified above for all those employees in the Association's unit who elect the single coverage. Each employee receiving health insurance coverage, shall contribute, through payroll deductions, the amounts required by P.L. 2011, c. 78 for the cost of insurance premiums.

The Board reserves the right to change plans, as long as benefits are not diminished.

DENTAL INSURANCE COVERAGE

The Board agrees to pay the full cost for full family coverage for dental insurance with a \$50 per person/\$100 per employee and dependent or spouse/\$150 per family annual deductible.

The Board reserves the right to change dental insurance plans, as long as benefits are not diminished.

PRESCRIPTION PLAN INSURANCE COVERAGE

The Board hereby agrees to pay the full cost for full family coverage of prescription plan insurance. Prescription plan insurance coverage shall have \$20.00 co-payment for brand-name prescriptions, \$10.00 co-payment for generic brand prescriptions, and \$10.00 for mail-in prescriptions. All other plan benefits shall remain unchanged. There shall be no cap on the prescription premium for the life of this Agreement. The Board reserves the right to change prescription plans, as long as benefits are not diminished.

OPTICAL INSURANCE COVERAGE

The Board hereby agrees to pay the full cost for full family coverage for an optical insurance program. The optical insurance coverage shall have no deductible. The Board reserves the right to change optical plans, as long as benefits are not diminished.

NEW EMPLOYEE HEALTH COVERAGE

Employees hired after September 1, 1998, with no previous experience in Fairfield or any previous Fairfield employee, who has resigned, shall receive the following health insurance coverage:

The first three years shall include medical and prescription coverage as described in this Article.

The fourth year and thereafter the employee shall receive all health insurance coverage as described in this Article.

PART-TIME EMPLOYEE HEALTH BENEFIT COVERAGE

Any employee who, having opted out, wishes to subsequently re-enroll may elect to do so during normal re-enrollment periods. Coverage may be resumed if the employee ceases to be eligible for other health care coverage or other qualifying life event. This option shall apply to all health insurance provided by the Board.

If it is found that a Section 125 (IRS Code) plan must be established in order to limit the implication of implementing this provision, the Board agrees to file the appropriate forms seeking approval of same.

ARTICLE III

GRIEVANCE PROCEDURE

A. Statement of Purpose

It is the purpose of this procedure to secure, at the lowest possible administrative level, appropriate solutions to grievances of employees through predetermined and orderly procedures which shall be made available to all employees in an atmosphere free of coercion, interference, restraint, discrimination or threat of reprisal. However, it is to be noted and emphasized that the existence of this procedure is not necessarily intended to encourage the utilization hereof as a primary or first-instance means for the resolution of all grievances. Rather, employees, should they so elect, are specifically encouraged to seek resolutions of grievances through informal discussions on a day-to-day basis between relevant parties and thence to resort to the utilization of this more formal procedure should informal means fail to produce a satisfactory resolution.

B. Definition

1. A "grievance" is a claim based upon an alleged improper interpretation, application, or violation of this Agreement, any Board policy, or administrative decision rendered thereunder that causes personal loss or injury affecting the terms and conditions of employment. The term "grievance" shall not apply to any matter where:
 - (a) a method of review is prescribed by law or State Board Rules;
 - (b) the Board of Education is without authority to act;
 - (c) a complaint relates to the non-renewal or termination on notice of a non-tenured teacher's contract.

2. The term "grievant" shall refer to an employee or employees of the Fairfield Education Association or the Association making a claim on behalf of an employee or employees of the Fairfield Education Association or on behalf of the Association itself.
3. Where it can be demonstrated that more than one grievant is similarly aggrieved, a grievance may be presented bearing the signatures of each of the grievants.

C. Procedure

1. A grievance to be considered must be initiated within thirty (30) calendar days of its occurrence or within thirty (30) calendar days after the grievant should have reasonably known of its occurrence. Any grievance filed after the prescribed interval shall be null and void.
2. Any grievant who has a grievance shall discuss it first with his immediate supervisor, either directly or with the Association's designated representative, in an attempt to resolve the matter informally.

Level I

1. If, as a result of the discussion, the matter is not resolved within five (5) school days, the grievant shall discuss the grievance with the Association's designated representative and set forth in writing all grievances to the immediate supervisor specifying:
 - (a) the nature of the grievance and of the personal loss or injury,
 - (b) the results of the previous discussions and the basis of the grievant's dissatisfaction.
2. The immediate supervisor shall communicate his/her decision to the grievant in writing within seven (7) school days of receipt of the written grievance.

In addition, within seven (7) school days, the immediate supervisor shall communicate to the Association the date and subject of the grievance filed.

Level II

1. The grievant may appeal the immediate supervisor's decision to the Superintendent within five (5) school days of receipt of the immediate supervisor's decision. The grievant's appeal to the Superintendent must be made in writing and must set forth the matter submitted to the immediate supervisor as specified above, as well as the basis for his/her dissatisfaction with the decision previously rendered. In the event of non-compliance with any of the provisions as set forth, the grievance shall be considered dropped. The Superintendent shall render a decision within ten (10) school days of receipt of the appeal of the immediate supervisor's decision. The Superintendent shall communicate his/her decision in writing to the grievant(s) and the Association.

Level III

1. If the grievance is not resolved to the grievant's satisfaction, he/she may, within five(5) school days after receipt of the Superintendent's written decision, request review by the Board of Education. The request shall be submitted in writing through the Superintendent who shall attach all related papers and forward the request to the Board.

The Board, or a committee thereof, shall review the grievance and may, at its option, hold a hearing with the grievant. A decision in writing shall be rendered within thirty (30) calendar days of receipt of the grievance by the Board or the date of the hearing with the grievant, whichever comes later.

Level IV

1. If an employee is dissatisfied with the decision of the Board, the Fairfield Education Association may request the appointment of an arbitrator. If the Association is dissatisfied with the decision of the Board at Level III, the grievant may request the appointment of an arbitrator with PERC within twenty (20) school days of receipt of the Board's decision. Such request shall be made known to the Superintendent forthwith.
2. The following procedure shall be used to secure the service of an arbitrator:
 - (a) The Association may submit the grievance to arbitration by filing with the Public Employment Relations Commission (PERC). The parties agree to be bound by the rules and procedures of PERC.
3. All proceedings relative to the arbitration shall be held after regular school hours.
4. The arbitrator shall limit himself/herself to the issues submitted to him/her and shall consider nothing else. He/she shall neither add to nor subtract from the agreement between the parties. Within thirty (30) calendar days of the completion of the arbitration proceedings, the arbitrator shall submit to each party his/her decision in writing, which shall include findings of fact and reasoning. The decision of the arbitrator shall be advisory only.
5. The fees and expenses of the arbitrator shall be borne equally by the parties. The cost of a stenographic record shall be borne by the party requesting same, unless both parties make the request, in which the cost shall be borne equally. Each party shall bear the cost incurred by itself relative to the arbitration proceedings.

D. Miscellaneous

1. All documents, communications and records dealing with the proceedings of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

2. It is understood that the aggrieved employee shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
3. In the event grievances are filed in the months of May, June, July, or August, the time limitations as specified herein may be suspended by mutual agreement.
4. An aggrieved person may have at his/her option, one representative and an N.J.E.A representative present at any level of the grievance procedure.
5. When a grievance affects a group or class of employees covered by this agreement said group or class may at their option select the Association as their representative.
6. All steps of the procedure shall be confidential and conducted in private.
7. Failure at any step of the procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step within the specified time limits shall be deemed to be waiver of further appeal of the decision.
8. No restraint, coercion, discrimination, or reprisal of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association or any other participant in the grievance procedure by reason of such participation.

- *Aides employed prior to June 30, 2013, will be provided a one-time increase in their hourly rate for the 2013-14 school year as per the attached chart in compensation at the time the aide is reduced in hours. The agreed upon salary guide increases will be applied to these aides on top of the one-time increase in hourly rate. OG1, 2, 3 & 4 were hired after the prior Agreement (2010-2013) went to press, therefore, were Off-Guide (OG) and are entitled to the 5% increase on their hourly wage when weekly hours went from 32.5 to 28. Prior aides (2) employed and paid on Old Guide Kindergarten #3 and Special Ed Aide #8 have since resigned or retired and the step designation eliminated.

All **starting salaries** for aides will be \$13.00 per hour for High school Graduates; \$15 per hour for College Graduates; and \$17 per hour for Certified Teachers for the duration of the contract.

However, new employees hired at these rates will be entitled to the subsequent years' percentage increase.

(Example 1: Aide X hired 9/1/13 at \$13 per hour will be increased 2.5% next school year (14-15) and another 2.5% for 15-16 school year.)

(Example 2: Aide Z hired January 1, 2015 at \$15 will be increased by 2.5% for the September 1 of 2015 for the last year (15-16) of this agreement.)
